## About Tri-County Ruritan

Ruritan National has nearly 30,000 members in over 1100 communities. Ruritan is a civic service organization made up of local clubs in urban areas, small towns, and rural communities.

The slogan of Ruritan is “fellowship, goodwill, and community service”. Each Ruritan club surveys it’s own community as to needs and then works to meet those needs. Nearly all clubs work locally with FFA, 4H, Boy Scouts of America, and other organizations servicing youth.

Tri-County Ruritan meets monthly at St Paul’s Evangelical Lutheran Church in Cordova, Md. Tri-County Ruritan actively supports Talbot Ag Center, 4H, volunteer fire departments, and several local charities. Additionally we fund college scholarships and provide benevolence gifts and assistance locally to those in need. Proceeds from this sporting clays event will help fund Tri-County Ruritan’s community service.

**Thank you for helping support Tri-County Ruritan.**

## Station Sponsorship

This event will take place on ten different stations. At each station there will be the opportunity to have an advertising sign. We are selling advertising to be placed on a sign (approx 18” X 24”). Each sign will cost \$100 dollars. This makes an excellent way to promote your company and support our fund raising effort. If interested please fill out the sign up form and enclose your check for \$100 dollars. We will contact you for your sign information or pick up any signage you wish to use.
